

File to provide for the printing on fabric 250

Please send your files through WeTransfer to info@alterexpo.com, indicating name of the event, your stand number and company name.

- Files to be delivered as AI, EPS or PDF
- Full scale 150 DPI
- Use CMYK colours
- Without bleed

Total dimension per panel = visible dimension of the image:
Height = 2480 mm
Width = 992 mm per panel (so 992 x 2/3/4/ ...)

ATTENTION: Print on fabric can only be ordered as of 2 running meter!
