PARTICULAR CONDITIONS

Article 1.: A deductible of 10% of the justified amount with a minimum of 25 € and a maximum of 125 €, - will be applied per damage.

Article 2: By partial derogation of the stipulations of the general conditions, it is agreed that the following risks are excluded of the present insurance: furs, valuable metals, banknotes and/or coins, clothing, personal objects, drinks, cigarettes and advertising gifts, decoration objects, plants, flowers, telephones, except if these last four items are mentioned on the valorised inventory list.

Article 3 : In extension of the stipulations of article 5 of the general conditions, it is agreed that in case of any damage during the assembling period, the total duration of the exhibition and/or the disassembling period, the insured commits to immediately notify the organizers of the exhibition. As far as necessary, it is stated that the "competent authorities" that matter in art. 5 terms are all police authorities and / or police. This does not suspend the obligation of the insured also immediately notify the organizers.

Article 4 : It is agreed upon that no material and/or equipment that can be easily removed and/or stolen or that is likely to be stolen (audiovisual equipment, computers and accessories, domestic appliances, telecommunication equipment, office equipment, decoration objects, etc.) shall be left behind on the stand during the process of assembling/disassembling (the period before the date and hour of official opening of the exhibition and the period after closing of the exhibition). The insured commits to continuously guard the insured objects during the process of assembling/disassembling, placing, loading and unloading and this to avoid theft a.o. Insurers will be sent directly an insurance project with a payment request drawn up according to the rate.

VERY IMPORTANT!

In order to avoid, in case of claim, any problems related to under-insurance, the insured value of the objects demonstrated and/or used during this fair, must be equal to the actual value (Taxes and customs duties recoverable in all cases of theft and/or loss). Furthermore, the above mentioned objects must obligatory comprise the whole of the objects demonstrated/used during and/or related to this fair, except in case of preliminary approval by the insurers.
